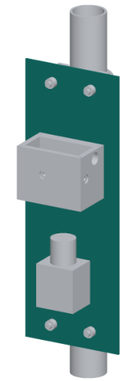
FRONT VIEW

Scale 1:5; looking at the front (along +Y)

RIGHT VIEW

Scale 1:5; looking at the right side (along -X)



WHERE IT GOES

This part in colour, its neighbours in grey

HOW TO MAKE IT AND HOW IT FITS

Blank 140 x 385 mm, 3 mm aluminium. Front view: the cell side.
Heights from the bottom edge; sideways from the centre line.
U-bolt holes 9 mm at 29 each side, 25 and 360 up.
Cell screw holes 5.5 mm at 30 each side, 250 up.
Valve screw holes 4.5 mm at 18 each side, 93 up.
The cell body sits from 213 to 287 up, centred; the valve body from 63 to 123 up, centred, ports level.
Deburr every hole and edge; round the corners to about 3 mm.
Fit: cell and valve flat on the front, screws from behind; two V-saddles flat on the back, one at each U-bolt.
Check: the cell and valve holes line up with their parts.
